

INTERNSHIP CERTIFICATE

To whom it may concern,

This is to certify that Mr Sarbajit Neogi has done his internship in the Software Development Department at Entiovi Technologies Private Limited, Kolkata, from 5th June 2024 to 30th June 2024.

He has been trained in MERN stack development. Throughout his internship, He has learned how to design and create full-stack web applications using React.js, Node.js, and MongoDB. From implementing CRUD operations to developing a dynamic web application, he has successfully created and delivered a "Restaurant Booking Application" using the MERN stack. Sarbajit also received training in Spring Boot as a server-side language with MySQL as the database.

During his internship, he has demonstrated his skills with self-motivation to learn new skills. His performance exceeded our expectations, and he was able to complete the project on time.

We wish him all the best for his upcoming career.

Sincerely,
Shivani Khanna
